## **ACRA celebrates its 65th birthday with a BIG CHANGE!**

Your Board of Directors has recognized a need to update and modernize our website so it can be better looking and much more efficient for you, our members, and everybody else who takes a look at us online.

- New menu structure
- New pages
- Easier to navigate

## **New look coming soon!**

And don't forget to pencil in the dates of our **Annual Convention on September 12 and 13** in Scottsdale at the Hilton Doubletree. We have lots of things planned:

- First Annual Jim Bouley Speed Contest (narrated by Mark Kislingbury and Eileen Beltz from CCR)
- Seminars by Juan Martinez, Prosecutor from the Jodi Arias trial; Mark Kislingbury, recipient of the Guinness Book of World Records for fastest court reporter; Jimmy Cool, attorney with an English background; Town Hall with Court Managers from all over the state of Arizona; and an attorney specializing in collections.

There will be lots of information coming forth regarding the new website and the convention. Be on the lookout and tell your friends across the country to join in our celebration! We want to make this a memorable event.

Sincerely,

**Pam Griffin**
