Request from NCRA's Communications Department

Help us tell your story during 2023 Court Reporting & Captioning Week. NCRA's Communications Department is looking for members who entered the court reporting profession after military service, as a second career, or as a college graduate who decided on a different path after four years of school, to share their stories during the 2023 Court Reporting & Captioning Week being celebrated Feb. 4-11. Please contact pr@ncra.org if you have a story you would like to share and help us spread the work about why a career in stenographic court reporting or captioning is the best kept secret out there.

News from NCRA/NCRF
