Future of Court Reporters in Training
(.15 CEU/ 1.5 hours AZCR)
Speaker: Katherine McNally, CRI

Every court reporter is an advertisement for the field. We need more students to fill the demand for judicial and captioning/CART reporters. But how does someone get that education if they have a 9 to 5, Monday to Friday job? What if they live more than a 30-minute drive from a campus that teaches "live"? Education has changed!!! Students who learn in an online environment bring you a skillset that is extraordinary. This demonstration of the availability and scope of online education in court reporting will give you a taste of what is happening in the field of court reporting education and what the future of this education is.
